

**IRISS
INFRARED
WINDOWS**

As part of our service of infrared surveys, we are now providing the toughest and most reliable infrared window.

10 Reasons to Choose IRISS IR Windows

1. Durable and Rugged
2. Unparalleled Field of View
3. Fixed and Stable Transmission (FAST)
4. Any Camera Any Task
5. ARC Containment Tested
6. Certification
7. Customizable & Innovative
8. Anti-Fogging
9. More Affordable
10. Lifetime Warranty

Item #	Description	Cost	
CAP-ENV-4	4" Polymer IR Window with Environmental Locking Cover, *Note 1	\$399.00	
CAP-ENV-6	6" Polymer IR Window with Environmental Locking Cover, *Note 1	\$549.00	
CAP-ENV-12	12" Polymer IR Window with Environmental Locking Cover, *Note 1	\$749.00	
CAP-ENV-24	24" Polymer IR Window with Environmental Locking Cover, *Note 1	\$999.00	
CAP-CT-4	4" Polymer IR window with Locking Cover, *Note 1	\$349.00	
CAP-CT-6	6" Polymer IR window with Locking Cover, *Note 1	\$449.00	
CAP-CT-12	12" Polymer IR window with Locking Cover, *Note 1	\$649.00	
CAP-CT-24	24" Polymer IR window with Locking Cover, *Note 1	\$849.00	

IRISS IR windows are the most certified windows in the industry with IEEE (impact & load), UL, cUL, Lloyds, CSA 22.2 14-13 for industrial control equipment, DNV and ABS (American Bureau of Shipping) credentials.

Item #	Description	Cost	
CAP-B-6	Custom Built 6" Polymer IR Window for Non-Segmented Bus, *Note 1	\$699.00	
CAP-B-12	Custom Built 12" Polymer IR Window for Non-Segmented Bus, *Note 1	\$899.00	
CAP-B-24	Custom Built 24" Polymer IR Window for Non-Segmented Bus, *Note 1	\$1,099.00	
CAP-CT-4-US	4" Polymer IR window with Locking Cover and US Port, *Note 1	\$399.00	
VPT-50	2" Polymer IR Window with Locking Cover, *Note 2	\$138.00	
VPT-75	3" Polymer IR window with Locking Cover, *Note 2	\$210.00	
VPT-100	4" Polymer IR window with Locking Cover, *Note 2	\$314.00	
VPFC-50	2" Calcium Fluoride IR window with Locking Cover, *Note 2	\$160.00	
VPFC-75	3" Calcium Fluoride IR window with Locking Cover, *Note 2	\$240.00	
VPFC-100	4" Calcium Fluoride IR window with Locking Cover, *Note 2	\$340.00	
VPR-12-IR	1/2" Polymer IR Window for Wide Angle Lens Cameras, *Note 2	\$55.00	
VPR-12-US	1/2" Ultrasound Inspection Port, *Note 2	\$50.00	
*Note 1 - Installation Cost of \$150.00			
*Note 2 - Installation Cost of \$85.00
